Ergonomics
this new
of a new

HORIZON

Instinct, cleverness, patience and strategy are the necessary elements for the ungulate hunting. **Horizon** becomes with you the star of a perfect day, in any place and under any circumstances.

7 YEAR WARRANTY
The Bolt Action is covered by a seven year warranty on mechanical parts.

FRANCHI XS
Franchi XS (Exclusive Style) is an ergonomic developed platform that, by studying the shooting habits of more than 1.000 hunters returned as a result the rifle with the perfect shape.

TWIN SHOCK ABSORBER_ADV

The Bolt Action features the TSA ADV (Twin Shock Absorber Advanced) recoil pad. The TSA_ADV recoil pad is available in three sizes, it is a mix of polyurethane foams which expand during the shot, absorbing up to 50% of the recoil. TSA_ADV recoil pad can resist both to high and low temperatures.

For the first time in its 150 years of history Franchi introduces the Bolt Action rifle.

Technics, precision and essential lines are the pillars of this project. **Horizon** is a starting point, the beginning of your adventure.
