Experience exceptional performance on the darkest of nights with crisp, clear images with the Steiner S35 Nighthunter thermal rifle scope, powered by **Quantum Vision**.

A perfect combination of a state-of-the-art thermal sensor, outstanding display quality and proprietary software. Quantum Vision technology, together with outstanding usability, handling and legendary ruggedness, creates a superb night hunting thermal rifle scope.

Easily detect coyotes and pigs past 2,000 yards and recognize within 500 yards taking predator and invasive species control to the next level. Customize color output, including Amber and display settings to maximize eye comfort on long nights behind the scope.

ITEM NO. 9521 UPC 840229105892
